Withdrawals:

To streamline the fund, withdraw process and ensure tighter controls and efficiencies are in place in the distribution of funds; the new procedures are as follows:

1. To ensure tighter controls and faster and more secure payments, checks will no longer be issued as the standard form of withdrawals. Instead, the funds will be transferred via ACH, which is more secure and faster. The ACH fund account used will be the same ACH account that is used for withdrawing DPA payments. Should a different account be requested for transfer, a special request will need to be made to ensure there are
